Roy J. Maier REEDS HAVE

more **SPRINGGG!** in the tip!

Make this simple
test yourself

Take a No. 2 Maier Reed and press the tip. Do the same with a No. 2 reed made by ordinary manufacturing methods. You'll find the Maier reed has extra springgg! in the tip of the blade.

THAT'S WHY THEY PLAY BETTER, LAST LONGER!

The best that's in you is brought out by these superb reeds! Their extra springiness gives your sax or clarinet snappier response, livelier tone color, and sustained brilliance. But you be the judge!

HERE'S THE SECRET OF ROY J. MAIER REEDS' EXTRA SPRINGGG!

Roy J. Maier Reeds start out as the finest French cane money can buy. They are cut to a special design that allows the greatest possible volume of heartwood in each strength. It is this extra heartwood in the blade toward the tip that gives them extra strength and flexibility.

Special Machines cut Roy J. Maier Reeds with diamond-like precision, preventing the

fibers from crushing, and assuring the closest approach to uniform strength, time after time, that has ever been achieved in the history of reed-cutting.

Roy J. Maier Reeds are sold only through established music dealers who handle quality merchandise. Give them a fair trial, and you'll never go back to reeds of ordinary quality! See your dealer today!

"You'll like the 'spring-back' quality of my signature reeds. They'll punch up the response of any sax or clarinet."

Roy J. Maier

 Rico Products, Ltd.

Dear Frank:

What I am about to say is a true statement of facts, and you have my permission to quote it to the world as such:

I have used Rico Reeds exclusively for the past 2 1/2 years. Prior to that time I had intermittedly used and also ordered other brand reeds - but only when I was unable to secure my style and strength in Rico.

Believe me, Frank, when I say that Rico reeds are positively unmatched in their definitely my No. 1 choice.

Sincerely,
 "Corky" Corcoran

"Corky," like most other professional Saxophone and Clarinet players, prefers Rico Reeds for their unsurpassed playing qualities. In RICO'S 4 distinct style cuts and 12 playable strengths every player finds an exact style for his own individual embouchure and requirements.
